Subject: Reston Citizens Association Reaffirms Supplemental Opposition to the Foulger-Pratt Interim Agreement

Dear Mr. Fleetwood:

In recent days one of our Board members wrote to you to express his belief that a letter from our attorney exceeded the specific limits of a Board motion concerning the Unsolicited Proposal on Bowman Towne Court. He was mistaken. To allay any confusion, the RCA Board on October 17th reconfirmed our agreement with all aspects of the attorney's letter. The vote on this motion was unanimous (with one abstention).

The message in question was sent at 11:06pm, and as many of us have learned over the years, sending an emotional, unvetted email in the middle of the night is generally not a good idea. Had the author waited until morning, he could have checked with one of the several Board members who have worked on this matter for months and perhaps come to realize why his concerns were unfounded.

Sincerely,
Lynne Mulston
President, Reston Citizens Association
